The 'Custom Filter' dialog box contains the following text: 'Show rows where: Breed equals Mini Rex OR Breed equals Rex'. The 'OR' radio button is selected. The dialog has 'OK' and 'Cancel' buttons.

1) Press the Quick Reports (6) button at the top of the page.

2) Press the Display Points - Breed button at the left of the page.

3) Select the Breed button at the top of the report and select "Custom". In the Custom Filter window select equals "Mini Rex", hit the "OR" button and then select equals "Rex" in the lower option and press "OK".

4) Press the "Save as Web Page" near the top of the pane. Enter a File Name, e.g., PPRBA Open Show A 2011120 Display Points.

5) Attach all show reports including the Display Points, e.g., PPRBA Open Show A 2011120 Display Points.html in an email to the Sweepstakes person.
